

STAYING
HOME
LEAVING
VIOLENCE
CHOOSE TO STAY
& SEND VIOLENCE AWAY

*Keeping women and
children safer*

**ARE YOU, OR DO YOU KNOW
SOMEONE EXPERIENCING
VIOLENCE AT HOME?**

SHLV is a free, easily accessible service that supports women and their children to leave a domestic violence relationship and stay safely in their home or a home of their choice.

We provide a safe and confidential local space, and can assist women to speak to Police and other services about their domestic violence situation to find the right response.
